PRODUCT DATA SHEET

FLOOR SCRUBBER CLEANER CONCENTRATE

Surge Industrial® Floor Scrubber Cleaner Concentrate is a high performance, neutral pH solution specifically designed for use in commercial floor scrubber equipment. Surge Industrial's Dynamic Cleaning Technology (DCT) separates the dirt and grime from the surface leaving no residuals behind resulting in a cleaner and safer floor surface.

- Low Foaming Formula
- Neutral pH
- Disposable
- Non-Toxic
- VOC Compliant
- Non-Hazardous
- Non-Corrosive
- Non-Flammable
- Biodegradable

APPLICATION & INSTRUCTIONS FOR USE

For use in all commercial floor scrubbing equipment

SUGGESTED RATIO* (Water : Surge)	SUGGESTED APPLICATIONS
20:1	Heavy Duty
30:1	Medium Duty
40:1	Light Duty

*TEST RATIO PRIOR TO USE. Use your own mixtures depending on type of dirt or component to be cleaned. For top effectiveness always heat mixtures to 120°F.
