PRODUCT DATA SHEET

CARPET CLEANER CONCENTRATE

Surge Industrial® Carpet Cleaner Concentrate is a high performance solution specifically designed for use in commercial carpet extractors. Surge Industrial's Dynamic Cleaning Technology (DCT) separates the dirt, grime, soils, spots, and stains from carpet and upholstery fibers. Surge Industrial is formulated with a light, fresh scent that neutralizes odors and doesn't overwhelm the senses. Surge Industrial effectively cleans high traffic and heavily soiled areas. Surge Industrial works on all commercial carpet and is safe on stain resistant products.

- Biodegradable
- Disposable
- Non-Toxic
- VOC Compliant
- Non-Hazardous
- Non-Corrosive
- Non-Flammable

APPLICATION & INSTRUCTIONS FOR USE

For use in all commercial carpet extractors

SUGGESTED RATIO FOR COMMERCIAL EXTRACTORS*

1 oz. of Surge Industrial : 1 Gallon of Water

- ***BEFORE CLEANING:** Test a small, hidden area for colorfastness prior to cleaning. If color is affected, do not use.
- TEST RATIO PRIOR TO USE.** Use your own mixtures depending on type of dirt or component to be cleaned. For top effectiveness always heat mixtures to 120°F.
- Do not use on furniture or upholstery coded "X" or "S", leather, linen, silk, velvet, or vinyl.
