275 GALLON CONTAINER

SIHVCC 0275

PRODUCT DATA SHEET

HVAC COIL CLEANER

SURGE INDUSTRIAL® HVAC COIL CLEANER is a water-based solution that removes dirt, grease, grime, bugs, and other particulates from outdoor evaporators and condensers while being safe for the people and the environment. Surge Industrial HVAC Coil Cleaner does not adversely affect other components within the HVAC unit, nor the integrity of the roof.

This product is for outdoor use only.

- Safer for Technicians
- Biodegradable
- Limited PPE Required
- Rinses Extremely Well
- Non-Hazardous
- Will not pitch or etch coils
- Non-Flammable
- Improves coil efficiency
- pH Neutral
- For Outdoor Use Only

APPLICATION & INSTRUCTIONS FOR USE

Ideal for aluminum tube/fin, microchannel coils & any condenser design

SUGGESTED RATIO* (Water : Surge)	SUGGESTED APPLICATIONS
3:1	Heavy Duty
10:1	Medium Duty

**TEST RATIO PRIOR TO USE. Use your own mixtures depending on soil level.*
